

AKC Junior Ambassador Program

Program Mission

The AKC Junior Ambassador Program aims to more fully engage Juniors in the sport of purebred dog, as well as give clubs more resources to engage Juniors in their areas. For those Juniors that are currently competing, this program seeks to help them be more active in the sport. This program also allows 4-H members to expand their knowledge and participation in dog sports.

Requirements

Juniors must complete at least six activities from three of the categories below to be eligible for the Junior Ambassador pin. An example would be 3 activities from “Community,” 2 activities from “Education,” and 1 activity from “Participate in Events.”

Juniors may submit additional ideas via email to juniors@akc.org or publiced@akc.org for approval.

How to Submit

Upon completion of the required number of activities, a Junior must complete a participation form, submit pictures of each activity and have the form signed by a Club officer or parent/guardian (if Club signature is not possible). They may submit their form and pictures electronically to juniors@akc.org

Recognition

Each Junior that has successfully completed the requirements for the program will receive a unique pin to recognize their accomplishment. Juniors may submit their activities each year to earn a new pin.
